

TUITION REFUND PLAN

Dewar's Tuition Refund Insurance protects the parent or guardian against loss of unearned tuition in case the student is unable to, or does not, complete the school year. This coverage is available to all parents or guardians of UHA students, but is not required of those paying their tuition on an annual basis. ***It is required of those paying their tuition by the monthly payment plan.*** The premium for this coverage is 3.3% of the total amount due. Insurance applies to tuition only. Other fees are non-refundable.

FEES ASSESSED

There will be a \$25 fee assessed for each check or bank draft returned. A 12% interest charge will be added to any balance 30 days old. If an account is 30 or more days old, the Business Manager will call and students may be suspended and/or grade reports held until bills are paid. The family will be responsible for unpaid balances as per the contract. The Business Manager must be notified of extenuating circumstances prior to billing date.

MONTHLY PAYMENT PLAN

Those electing the monthly payment plan (12 payments, June 2016 through May 2017) may do so by automatic funds transfer only. If you choose the monthly payment plan, please complete the Bank Draft Authorization Agreement, and return it along with a voided check to UHA with your enrollment agreement. The first bank draft payment to UHA will be initiated in June 2016. A 12% interest rate is charged on outstanding balance.

**Limited Tuition Assistance is available to qualifying families.*
